## SITE-CENTERED DECISION-MAKING (SCDM) MATRIX

<u>Admin</u> - Topic is discussed in SCDM and a recommendation or suggestion is provided to admin. However, the final decision is with the adminstrator.

**<u>SCDM/Admin</u>** - Topic is discussed in SCDM and a joint agreement between SCDM and admin is reached.

**<u>SCDM</u>** - Topic is fully under the purview of SCDM and admin has a single vote.

Budget		ADMIN	SCDM/ADMIN	SCDM
Staffing allocation Support services	District develops staff allocations given to each school	V		
Instructional support Per-pupil		X		
Building-based budget	Buildings determine expenditures within established			
	parameters and guidelines. The building principal will			
	make the monthly financial summary reports available			
	to the SCDM team. These reports include:		v	
	<ul> <li>Annual allocation and changes</li> </ul>		Х	
	• Source of funds (vocational, special education, etc.)			
	• Budget and expenditures to date by category and/or			
	department			
Building Stipend Budget	Given the parameters of each building's Extra Work			
	allocation, the SCDM team shall determine the pay for			
	each additional Extra Work assignment. Upon			
	recommendations by the SCDM team, the signature of			Х
	the TEA building representative, and approval of the			
	building administrator, discretionary building funds will			
	be disbursed for eligible activities.			
Athletic/ASB activities	District provides basic allocations with supplemental	V		
	funding generated at building (ASB)	Х		
Categorical guidelines	District office allocates resources consistent with	X		
	funding requirements	Х		
Categorical program	Buildings determine expenditures within established			
expenditures/extra pay for extra work	parameters and guidelines		Х	
Pursuit and Acceptance of Grants by	Decisions to pursue or accept building-based grants			
School Staff at School Sites	should be made consistent with the SCDM processes at			
	the school site. Additionally, any requirements of the			Х
	grant process itself, including staff votes of support,			
	must be followed.			
Requests for funding innovative	Apply through district budget process

Building Level Committees	Employees who are expected to represent their site			
building Level committees	colleagues on building level committees should be			
	selected for such representation by their appropriate			
	constituents. The SCDM shall oversee the election or			Х
	selection of employees who serve as representatives			
Cohool loval communication	on building committees.			
School level communication	Schools responsible for development and		X	
	implementation of their communication plan			
Security and Safety	Each site will have a Safety Committee with members		Х	
	selected in line with WAC 296-800-130.		~	
Curriculum & Instruction		ADMIN	SCDM/ADMIN	SCDM
Core curriculum development	Core curriculum is established at the district level with			
	building input to assure equity and is required for all	Х		
	students			
Common curriculum development	Available to all students in district but students have			
	options. Common curriculum includes courses	Х		
	available but not required for all students in the district			
Building level curriculum development	Courses are offered specific to a building but may not			
	be available to all students in the district			X
Instructional strategies	Building staff are responsible to utilize a variety of			
	instructional strategies to improve student		Х	
	achievement			
Purchase of adopted materials and	The district coordinates purchase of adopted materials			
texts	and texts. Schools may request funding for and use of			
	alternate materials, texts, and/or strategies which	Х		
	correlate directly to specific learning outcomes			
Technology	The district coordinates the development and			
Technology	·	х		
	acquisition of technology to assure efficiency based upon district standards	^		
	· ·			
Instructional technology	Schools identify needs with the district providing on-	Х		
support	site assistance.			
State/district adopted assessments	Tests and other assessments are administered at			
	school sites with scheduling and scoring coordinated by	Х		
	the district			
School and classroom-based	School sites are responsible for assessing and reporting		v	
assessment and reporting	student progress		Х	
Graduation outcomes/Promotion	Standards established at district level with			
policy	responsibility for implementation at each school	Х		
Personnel			SCDM/ADMIN	SCDM
Selection of teaching staff	District facilitates process following state and federal			
	guidelines and negotiated agreement provisions with			
	recommendations made at the building level. Building		Х	
	staff and parents may be involved in hiring process.			
Building Level Master Schedules	Each spring, enrollment projections shall be shared			
Building Level Master Schedules	with the SCDM teams for the purposes of developing			
			х	
	master schedules, allocating resources, and planning			
	for the successful transition and assignment of			
	students.	<u>i</u>		

Alternate Schedule for Individual Staff	Employees at school sites may voluntarily work an alternate schedule subject to review by the SCDM process and administrative approval when such a schedule is in response to program needs and services.		x	
Selection and assignment of building administrators	The district facilitates the process for the selection and assignment of building administrators with input from the staff and the community	х		
Selection of classified staff	District facilitates; building staff and parents may participate and make recommendations	х		
Staff assignment within buildings	Assigned by principal consistent with state and federal guidelines and the negotiated agreement with staff input as appropriate	х		
Transferring building administrative staff	Superintendent assigns and may seek input of administrator, supervisor, building staff, and parent teams.	х		
Evaluations		ADMIN	SCDM/ADMIN	SCDM
Continuous Achievement Process	Schools must participate in the contiuous achivement process (CAP) or high school accreditation review.		Х	
Evaluation of program located in multiple sites	Programs occurring at more than one site will have a coordinated evaluation with input from the sites	Х		
Evaluation of site-specific programs	School sites will evaluate programs as determined through the continuous achievement process (CAP).		Х	
Evaluation of district pilot program located at a specific site	Successful pilot programs, if replicated in other sites, will have a coordinated evaluation process		Х	
Review Mission, Vision, and Building Initiatives	Annually each site will review the mission, vision, and building initiatives and revise as needed.			х
Self-evaluation of the SCDM process	Each site shall conduct an annual self-assessment of its SCDM process.			х
